Approved For Release 2008/04/04: CIA-RDP88B00443R001500040084-9 JAN 1984 Executive Registry £4. 049 January 3, 1984 Mr. William Casey 1240 North Ocean Boulevard Palm Beach, Florida 33480 Dear Mr. Casey: I enjoyed the few minutes that we briefly spent speaking together at the Coconuts on New Year's Eve. As I had mentioned, I answered an advertisement last year inthe Wall Street Journal for CIA employment in the clandestine services. cess culminated in a three day meeting at Langley in the beginning of October. During the various interviews all parties seemed very enthusiastic. However, last month I received a negative response from the director of personnel. I was curious about the reasons behind the final answer and intended to write a "freedom of information" request to view my file. I knew, however, that I would see you at the Coconuts and thought that I would first ask you if this would be effective. I hope that this is in no way an imposition on your time or position, and I wish you and Mrs. Casey the best in the new year. Sincerely.
